

Title from Feeder 1 Cover Art - **Responsive Writing: Fanfiction as a Collaborative Resistance to Heteronormativity**

		
<p>1. LGBT Fans Deserve Better is an advocacy group surrounding the ways LGBTQ characters are portrayed in media and represents a common sentiment.</p>	<p>2. ClexaCon is a fan conference that started after Lexa from The 100 was killed. Fan backlash to disappointment is often productive and creative.</p>	<p>3. Avengers: Endgame wanted praise for its feature of a nameless 'gay' character played by director Joe Russo. This quick 'inclusion' was basically inconsequential.</p>
