

## Video Project Storyboarding

Title: Saving Sasuke

Entries \_\_\_\_\_

Your main idea/aesthetic. Overall Image?

Naruto is a gang leader and his cover is a ramen shop. Sakura is his right-hand woman and assassin, Sasuke is his co-leader, Kakashi is the advisor and “parental supervision”.

First point

Sasuke is chasing Orochimaru because he stole some important documents from their gang. He gets ambushed and Orochimaru uses him for experiments.

Second point

Naruto and the gang find out about the kidnapping and are determined to get Sasuke back and destroy Orochimaru and his whole facility.

Third point

The facility Orochimaru is experimenting in is owned by Danzo and they have a bunch of other people they’ve brainwashed into working for them held there too.

## Conclusion

Everything works out and they're all happy. Sasuke is back and they managed to rescue all of the other brainwashed people while they were at it.
