Title: The Phoenix Queen: An Avatar the Last Airbender Fanfiction

Voice over: Avatar Aang died 19 years ago

Sozin's Comet came and the world burned to ashes

Voice Over continues: Out of the ashes a new world arises.

Avatars are labeled as killers and their statues are burned down.

Voice Over Continues: The new Avatar, Jin, the wife of Phoenix king Ozai, must stop the chaos and bring balance to the world. .

Avatar Aang died nineteen years ago. The Four Nations are no more. Sozin's Comet has come and gone. A new world rises from the ashes.

Jin, Phoenix King Ozai's second wife, is nineteen and a new mother. Jin is uprooted from her home in the Imperial City and forced to move to Ba Sing Se, the former Earth Kingdom capital. New problems arise making it dangerous for Jin. Ozai went from being the most dangerous man in the world to only being one of them.
